11.3. The Company reserves the right to revise or change these Terms of Service at any time.

## **12. Access:**

12.1. As part of the service, a Beeks FX VPS will automatically start your ThinkForex instance if and when your VPS reboots. You need to complete your LogonExpert profile when you first log on to your VPS. This is accessed via the Logon Expert icon on your desktop. Please note we recommend you run all trading activity under the Administrator account, otherwise we cannot guarantee 24-5 trading. Please also note that if you change your Administrator password in the future, you will also need to update your LogonExpert profile to ensure your VPS will restart ThinkForex on reboot. Failure to do this will interrupt your trading service. Access to your VPS is provided via Remote Desktop Protocol (RDP). Two .bat files are available to you to download from <http://www.beeksfx.com/downloads> that will launch the RDP client for you. If you are a Windows XP user on a build earlier than SP3, please download the remotelogin\_console.bat. Anyone using Windows XP SP3 or later (Vista, Windows 7) should download remotelogin\_admin.bat. If you are using remotelogin\_admin.bat and are receiving errors, please try remotelogin\_console.bat.

If you are not comfortable with using the above tools, please go to your Start menu and find the Run program (figure 12.1).

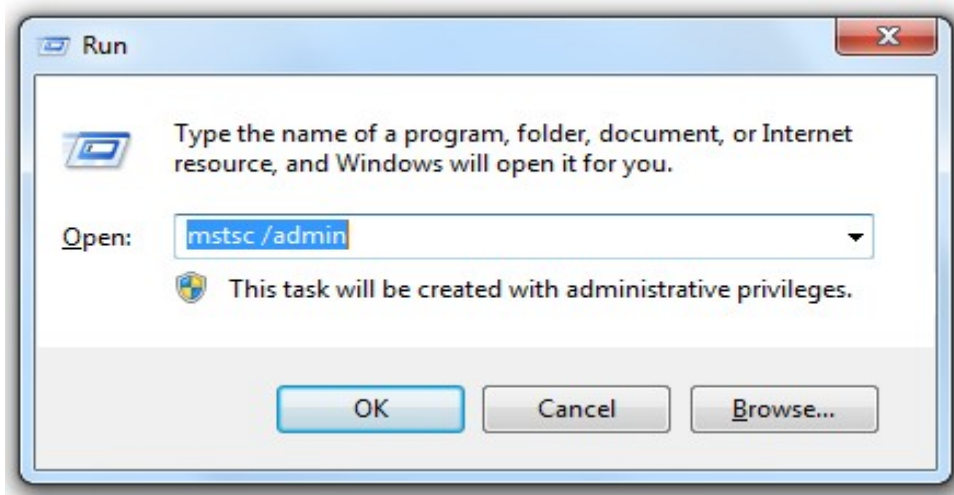

Figure 12.1

If you are a Windows XP user on a build earlier than SP3, please enter `mstsc /console`. Anyone using Windows XP SP3 or later (Vista, Windows 7) should enter `mstsc /admin`.

Failure to use either the .bat file provided, or the Run commands above **WILL** result in you connecting to an incorrect session on the VPS and may impact your trading positions. Any access you attempt by means outwith the process described throughout section **12 Access** of this document is undertaken at your own risk, is accepted by you as an unsupported logon route, and no liability will be accepted by Beeks Trading Corporation Ltd.

When you click OK, you will be presented with a login screen similar to figure 12.2

Figure 12.2

At this point, enter the IP address supplied to you in your VPS welcome email and click Connect.

You will then be presented with a login dialog box as in figure 12.3

Figure 12.3

Enter the username and password supplied to you in your VPS welcome email, and your VPS Remote Desktop will open.

At this point, you are ready to start using your VPS and ForEx trading platform. Please consult the user manual for your platform to begin your automated trading configuration.
